

008. An Angel The Kelly Family

Vers

I wish I had your pair of wings had them last night in my dreams
I was chasing butterflies ... till the sunrise broke my eyes

Tonight the sky has glued my eyes, cause what they see's an angel hive
I've got to touch that magic sky and greet the angels in their hive

Refr

Sometimes I wish I were an angel, sometimes I wish I were you
Sometimes I wish I were an angel, sometimes I wish I were you

Vers

And all the sweet honey from above ... pour it all over me sweet love
and while you're flying 'round my head your honey kisses keep me fed

I wish I had your pair of wings ... just like last night in my dreams
I was lost in paradise ... I wish I'd never opened my eyes

Refr

Sometimes I wish I were an angel, sometimes I wish I were you
Sometimes I wish I were an angel, sometimes I wish I were you

Zwischenspiel:

But there's danger in the air tryin' so hard to be unfair
Danger's in the air tryin' so hard to give us a scare
But we're not afraid
