

019. Country roads John Denver

Vers

Almost heaven, West Virginia
Blue Ridge Mountain, Shenandoah River
Life is old there, older than the trees
younger than the mountains growing like a breeze.

Refr

Country roads take me home to the place I belong
West Virginia, Mountain Mama take me home country roads

Vers

All my memories gather 'round her
Miners Lady, stranger to blue water
Dark and dusky painted on the sky
Misty taste of moonshine, teardrop in my eye

Refr

Country roads take me home to the place I belong
West Virginia, Mountain Mama take me home country roads

Zwischenspiel:

I hear her voice, in the morning hour she calls me
the radio reminds me of my home far away
Driving down the road I get a feeling that I should have been home yesterday,
yesterday

Refr

Country roads take me home to the place I belong
West Virginia, Mountain Mama take me home country roads

Country roads take me home to the place I belong
West Virginia, Mountain Mama take me home country roads
Take me home country roads.
