

093. Those Were The Days Mary Hopkin

Vers

Once upon a time there was a tavern, where we used to raise a glass or two
Remember how we laughed away the hours, think of all the great things we would do

Refr

Those were the days my friend, we thought they'd never end
We'd sing and dance forever and a day
we'd live the life we'd choose .We'd fight and never lose
For we were young and sure to have our way
La La

Vers

Then the busy years went rushing by us, we lost our starry notions on the way
If by chance I'd see you in the tavern, we'd smile at one another and we'd say

Refr

Those were the days, my friend we thought they'd never end
we'd sing and dance forever and a day
we'd live the life we'd choose, we'd fight and never lose
for we were young and sure to have our way
La La

Vers

Just tonight I stood before the tavern, nothing seemed the way it used to be
In the glass I saw a strange reflection, was that lonely woman really me?

Refr

Those were the days, my friend we thought they'd never end
we'd sing and dance forever and a day
we'd live the life we'd choose, we'd fight and never lose
for we were young and sure to have our way
La La La La La La, La La La La La La, La La,
La La La La La La, La La La La La La, those were the days, oh yes those were the days

Tonartwechsel

Vers

Through the door there came familiar laughter,
I saw your face and heard you call my name
Oh, my friend, we're older but not wiser
for in our hearts the dreams are still the same

Refr

Those were the days, my friend we thought they'd never end
we'd sing and dance forever and a day
we'd live the life we'd choose, we'd fight and never lose
For we were young and sure to have our way
La La La La La La, La La La La La La, La La,
La La La La La La, La La La La La La, those were the days, oh yes those were the days
